

Cedar Valley Arboretum & Botanic Gardens
Tribute Program

The Cedar Valley Arboretum's Tribute Program provides a meaningful way to honor those special people and events in your life. Acknowledgement of your tribute will be sent to the family, individual, or organization being honored. During our annual Memorial Day event, all honorees are recognized in a public ceremony at the Arboretum.

Tribute trees are well-established trees that the Arboretum will maintain. The tree will be identified with an unobtrusive tag placed at or on the tree. The tag will be inscribed by you, subject to approval by CVABG, and limited to three lines of text. In addition to trees, the Tribute Program offers engraved bricks. Tribute bricks are 4" X 8" and can hold 13 characters and spaces on three lines.

Cash gifts given in memory of another person may also be gifted to The Arboretum. The Arboretum will give credit to the donor making the memorial gift, and will inform the contact person of the names who have made gifts and the total received for the account if requested.

The Board will only accept restricted gifts that are deemed reasonable and meet The Arboretum's mission.

It is extremely important that you print the information neatly. Please send the completed Tribute Submission form and your check to:

The Cedar Valley Arboretum & Botanic Gardens
PO Box 1833, Waterloo, IA 50704

All Tribute gifts are tax deductible.
